

Life's most joyous milestones – births, weddings, B'nei Mitzvah and special birthdays and anniversaries – are just a moment in time. Yet, these moments are what we remember most. And what we would like our family and friends to remember for years to come.

Now, you can commemorate these events forever by inscribing them on the new TCS Family Simcha Wall. It's a special place where families will be reminded of their celebrated moments for generations to come. And it's an opportunity to participate in the time-honored tradition of recognizing meaningful milestones in one's life by making a charitable contribution.

You can reserve these beautiful glass plaques for your family now and be included in the Wall's inauguration. All proceeds will be used to support the growing needs of TCS during these challenging economic times. And, while times may change, your participation in the Simcha Wall will enable your family and friends to remember your favorite moments and generosity forever.
